Aids to Navigation

PHM expects to have the breakwater extension replaced and extended to the north shore within the next two weeks. Please check back here for updates to "Aids in Navigation"

More Discounts for Members & Friends...

All Occupancy Members and Friends now receive a 15% discount in the Village Market. Other discounts include 15 - 25% discount in the Waterfront Grille, 35% discount on overnight slip rental, \$0.55 per gallon discount on fuel and First Friday's discounts in Azul Boutique.

You can now log a Boat Launch Request from our Website!

In the bottom left corner of the home page you will find a "Boat Launch Request" form. Simply fill it out and submit it directly from the website. You will receive an email confirmation ensuring that the launch request has been received. We will continue to take launch request messages on the Dry Storage Launch Line but we recommend use of this new method to ensure accurate receipt of the request.

The PHM Lake Rescue Program

The PHM On-Lake Rescue Program is available for only \$5 per month and covers any breakdown, accident, injury or fuel shortage anywhere on the Lake. This program will also allow members to call for a rescue for drunk driving protection at a surcharge of \$30 per incident.

Please call 602-977-7364 or email mwalker@pleasantharbormarina.net to sign up.

Join us for live entertainment in the Waterfront Grille the evening of Saturday April 18th.

DEAR MEMBERS...

We respectfully advise that you wear your photo ID at all time and in a manner that makes it easily visible. This will avoid you being asked by our staff if you are a member. Please understand that this is for your benefit and to better assure that your privileges as a member are protected. If you are seen without a photo ID one of our staff will escort you to the store so that we can immediately provide you with one.

Please remember: The Waterfront Grille is now open Friday, Saturday & Sunday only.
