Mother's Day Celebration

Bring the family to celebrate Mother's Day on the water. Dinner includes a salad, onion ring appetizer and Member's choice of a rib eye steak or a shrimp dinner, finished off with a scrumptious piece of chocolate cake.

\$25 for Members

Contact Heather Lemke at 602-977-7374 or hlemke@pensus.com for reservations

More Discounts for Members & Friends...

All Occupancy Members and Friends now receive a 15% discount in the Village Market. Other discounts include 15 - 25% discount in the Waterfront Grille, 35% discount on overnight slip rental, \$0.55 per gallon discount on fuel and First Friday's discounts in Azul Boutique.

Important Announcement regarding Water Hoses!

Pursuant to the RLM Storage Agreement we require that all fresh water lines be turned off while the boat is unoccupied. This is to prevent water line leaks which can result in the discharge of thousands of gallons of water into the lake. Please be prudent in order to avoid being charged for such water loss.

Important Announcement regarding Dock Lines!

For the protection of your boat all dock lines must be of equivalent quality to double gold braid dock lines and must be cross strung on both sides of the slip. If a vessel is not secured properly PHM Staff will re-secure the vessel in the proper manner and a \$20 fee will be levied against the Occupant's account.

The PHM Lake Rescue Program

The PHM On-Lake Rescue Program is available for only \$5 per month and covers any breakdown, accident, injury or fuel shortage anywhere on the Lake. This program will also allow members to call for a rescue for drunk driving protection at a surcharge of \$30 per incident.

Please call 602-977-7364 or email mwalker@pleasantharbormarina.net to sign up.

You can now log a Boat Launch Request from our Website!

In the bottom left corner of the home page you will find a "Boat Launch Request" form. Simply fill it out and submit it directly from the website. You will receive an email confirmation ensuring that the launch request has been received. We will continue to take launch request messages on the Dry Storage Launch Line but we recommend use of this new method to ensure accurate receipt of the request.

Please remember: The Waterfront Grille is now open Friday, Saturday & Sunday only.
